

A MESSAGE FROM OUTLETS AT KITTERY

Outlets at Kittery is looking forward to welcoming you back to our shopping center! Our number one priority remains safeguarding the health and safety of our shoppers, store employees and community at large.

While our stores have been temporarily closed to help prevent the spread of Covid-19, your Outlets at Kittery team has been diligently working to enhance our center's safety and sanitization protocols, along with implementing new social distancing procedures. Here are a few of the measures that we have in place:

- Modified operating hours are 10:00 AM to 6:00 PM. Individual store hours may vary.
- Increased cleaning and sanitizing measures and frequency in all common areas and restrooms.
- Hand sanitizer available in Customer Rest Rooms & Service Center.
- Safety reminders and social distancing floor markers are visible throughout the Center.
- Reduced the total number of customers allowed in a store at one time.
- Curbside pick-up locations are clearly marked at our parking lots.
- In accordance with the state of Maine guidelines, we are encouraging all shoppers to wear a protective face mask and follow store policies.

Thank you for your loyalty. We look forward to seeing you at Outlets at Kittery soon!
